# Moonlit Fandango Sponsorship

## May 26th, 2016, Olympia's Valley Estate

The evening will raise funds for our work conserving, increasing access to and providing education about the Petaluma Watershed. Friends encourages people of all ages to help steward the Watershed through programs like our Watershed Classroom, free Boating at the Barn Sundays and annual Community River Cleanups. Our River Heritage Center in the heart of Petaluma celebrates the history, culture and ecology of the Watershed.
